

## A NEW COMMUNICATION TOOL FOR OUR LADY OF THE ASSUMPTION

We are pleased to be introducing a new Communications Tool for our parish, and are encouraging all of our parishioners to join the OLA Flocknote page.

Flocknote is a completely free mobile app created for churches and ministries to disseminate communications, including all of the latest updates from and within the parish.

In addition, communications such as funeral, wedding and sacrament announcements will be shared through Flocknote for those who wish to share updates.

We have a tremendous community here at OLA and we want to make sure it is as easy as possible for everyone to be involved and connected to our “Family of Faith”.

**More information will be shared in the coming weeks but if you are interested in joining Flocknote now, you can either text MYOLAFAMILY to 84576 or scan the QR code below to join Flocknote.**
